SUSPENDED LUMINAIRES

214 Series

- Indoor suspended direct indirect luminaire
- White powder coated CRCA MS sheet body
- Perforated metal refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 214-228	2 X 28W T5	1
LT CP 214-254	2 X 54W T5	1
LT CP 214-236	2 X 36W T8	1

212 Series

- Architectural indoor suspended direct indirect luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thick PMMA refractor with precision optical silk screen lines for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 212-228	2 X 28W T5	1
LT CP 212-254	2 X 54W T5	1

215 Series

- Architectural indoor suspended direct indirect luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Perforated metal refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 215-228	2 X 28W T5	1
LT CP 215-254	2 X 54W T5	1

217 Series

- Indoor suspended direct indirect luminaire
- Die cast aluminium body
- Thick PMMA refractor with precision optical silk screen lines for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 217-155	1 X 55W T5C	1
LT CP 217-255	2 X 55W T5C	1
LT CP 217-355	3 X 55W T5C	1

220 Series

- Indoor suspended direct indirect luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thin PMMA defused refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 220-228	2 X 28W T5	1
LT CP 220-254	2 X 54W T5	1

236L Series

- Indoor suspended direct indirect luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Metallic grilled louvers with efficient optical system
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 236L-228	2 X 28W T5	1
LT CP 236L-254	2 X 54W T5	1

226 Series

- Indoor suspended direct luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thin PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

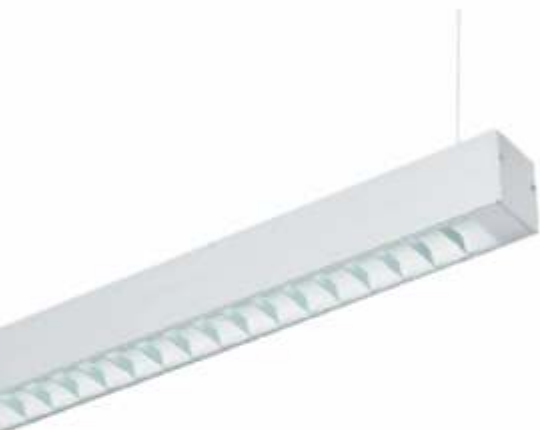

Product Code	Suitable for Lamp	Pack Carton
LT CP 226-128	1 X 28W T5	1
LT CP 226-154	1 X 54W T5	1

227 Series

- Architectural indoor suspended direct luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thin PMMA defused refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 227-128	1 X 28W T5	1
LT CP 227-154	1 X 54W T5	1

227L Series

- Architectural indoor suspended direct luminaire
- Extruded aluminium section body with die cast aluminium end covers
- I shape metallic grilled louvers with efficient optical system
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 227L-128	1 X 28W T5	1
LT CP 227L-154	1 X 54W T5	1

RECESSED LUMINAIRES

LT CRD Range

- Indoor recess mounting modular ceiling luminaire
- CRCA painted sheet body
- Diffused PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CRD 236 HFB2	2 X 36W CFL 4-Pin	1
LT CRD 240 HFB2	2 X 40W CFL 4-Pin	1
LT CRD 255 HFB2	2 X 55W CFL 4-Pin	1

LT CRP Range

- Indoor recess mounting modular ceiling luminaire
- CRCA painted sheet body
- Diffused / Prismatic PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CRP 236 HFB2	2 X 36W CFL 4-Pin	1
LT CRP 240 HFB2	2 X 40W CFL 4-Pin	1
LT CRP 255 HFB2	2 X 55W CFL 4-Pin	1

LT CRP 233 Range

- Indoor recess mounting modular ceiling luminaire
- CRCA painted sheet body
- Diffused PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CRP 233-414	4 X 14W T5	1
LT CRP 233-424	4 X 24W T5	1

DOWNLIGHT LUMINAIRES

LT CR 1070/G12/ZM

- Indoor recess mounting downlight luminaire
- Die cast aluminium body
- Anodised aluminium reflector with zooming function
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CR 1070/G12/ZM	1 X 70W CDM	1

LT CP 221

- Indoor suspended downlight luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thin glass/PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT CP 221-142	1 X 42W CFL	1
LT CP 221-242	2 X 42W CFL	1

WALLLIGHT LUMINAIRES

215 Series

- Indoor walllight luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Perforated metal refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT WL 215-236	2 X 36W CFL 4-Pin	1
LT WL 215-240	2 X 40W CFL 4-Pin	1
LT WL 215-255	2 X 55W CFL 4-Pin	1

217 Series

- Decorative indoor wall light luminaire
- Die cast aluminium body
- Thick PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT WL 217-155	1 X 55W T5C	1

FLOOR LIGHT LUMINAIRES

215 Series

- Indoor floor light luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Perforated metal refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT FL 215-236	2 X 36W PLL 4-Pin	1
LT FL 215-240	2 X 40W PLL 4-Pin	1
LT FL 215-255	2 X 55W PLL 4-Pin	1

217 Series

- Indoor floor light luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Thick PMMA refractor for glare free lighting
- Suitable for Offices, Conference halls, Hotels & Restaurants etc.

Product Code	Suitable for Lamp	Pack Carton
LT FL 217-155	1 X 55W T5C	1
LT FL 217-255	2 X 55W T5C	1
LT FL 217-355	3 X 55W T5C	1

STREETLIGHT LUMINAIRES

SS 200 Series

- Decorative streetlight luminaire
- Powder coated die cast aluminium alloy LM6 body
- Deep drawn high purity anodised aluminium pot optic reflector
- Ingress protection- Optical compartment IP66 & Control gear compartment IP54
- Suitable for Highways, Flyovers, Multi level junctions, Main roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT SS 207/G	1 X 250W HPSV/MH	1
LT SS 208/G	1 X 400W HPSV/MH	1

DSSQ 100 Series

- Decorative streetlight luminaire
- Powder coated single piece pressure die cast aluminium alloy LM24 body
- Segmental pre-anodised reflector
- Ingress protection- Optical compartment IP66 & Control gear compartment IP55
- Suitable for Highways, Flyovers, Arterial roads, Main roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT DSSQ 101/G	1 X 70W HPSV/MH E27	1
LT DSSQ 102/G	1 X 150W HPSV/MH E27	1

DSS 200 Series

- Decorative streetlight luminaire
- Single piece spun aluminium painted body in UV stabilised polyurethane finish
- Deep drawn high purity anodised aluminium pot optic reflector
- Ingress protection- IP66
- Suitable for Parks & Gardens, Residential colonies, Secondary roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT DSS 201/G	1 X 70W HPSV/MH	1
LT DSS 202/G	1 X 150W HPSV/MH	1
LT DSS 203/G	1 X 250W HPSV/MH	1

DSS 300 Series

- Decorative street light luminaire
- Single piece spun aluminium body
- Deep drawn high purity anodised aluminium pot optic reflector
- Ingress protection- IP66
- Suitable for Parks & Gardens, Residential colonies, Secondary roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT DSS 301	1 X 70W HPSV/MH	1
LT DSS 302	1 X 150W HPSV/MH	1

DSS 400 Series

- Decorative street light luminaire
- Single piece spun aluminium body
- Deep drawn high purity aluminium sheet electrochemically polished and anodised pot optic reflector
- Ingress protection- IP66
- Suitable for Parks & Gardens, Residential colonies, Secondary roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT DSS 401/G	1 X 70W HPSV/MH	1
LT DSS 402/G	1 X 150W HPSV/MH	1

GL 500 Series

- Decorative street light luminaire
- Zn plated steel body with cast aluminium support
- Deep drawn high purity aluminium sheet electrochemically polished and anodised pot optic reflector
- Ingress protection- Optical compartment IP66 & Control gear compartment IP55
- Suitable for Parks & Gardens, Residential colonies, Secondary roads etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL 501/G12	1 X 70W CDM G12	1
LT GL 502/G12	1 X 150W CDM G12	1

FLOODLIGHT LUMINAIRES

FI 400 Series

- Integral floodlight luminaire
- Single piece pressure die cast aluminium alloy LM24 body
- Pre-anodised plain hammered aluminium reflector
- Ingress protection - IP66
- Suitable for Building facades, Parking areas, Hoardings & Sign boards etc.

Product Code	Suitable for Lamp	Pack Carton
LT FI 401	1 X 150W HPSV/MH	1
LT FI 402	1 X 250W HPSV/MH	1
LT FI 403	1 X 400W HPSV/MH	1

FI 300 Series

- Integral floodlight luminaire
- Single piece pressure die cast aluminium alloy LM24 body
- Pre-anodised plain hammered aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Building facades, Parking areas, Hoardings & Sign boards etc.

Product Code	Suitable for Lamp	Pack Carton
LT FI 301	1 X 150W HPSV/MH	1
LT FI 302	1 X 250W HPSV/MH	1
LT FI 303	1 X 400W HPSV/MH	1

FN 1000 Series

- Non-integral flood light luminaire
- Single piece pressure die cast aluminium alloy LM24 body
- Pre-anodised plain hammered aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Building facades, Parking areas, Hoardings & Sign boards etc.

Product Code	Suitable for Lamp	Pack Carton
LT FN 1002/ASY	1 X 1000W HPSV/MH	1
LT FN 1003/NB	1 X 1000W HPSV/MH	1

Grace

FN 100 Series

- Non-integral flood light luminaire
- Single piece pressure die cast aluminium alloy LM24 body
- Pre-anodised plain hammered aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Building facades, Parking areas, Hoardings & Sign boards etc.

Product Code	Suitable for Lamp	Pack Carton
LT FN 101	1 X 150W HPSV/MH	1
LT FN 102	1 X 250W HPSV/MH	1
LT FN 103	1 X 400W HPSV/MH	1

FN 1000 Series

- Non-integral flood light luminaire
- Single piece pressure die cast aluminium alloy LM24 body
- Pre-anodised plain hammered aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Building facades, Parking areas, Hoardings & Sign boards etc.

Product Code	Suitable for Lamp	Pack Carton
LT FN 1001	1 X 1000W HPSV/MH	1

FACADE LIGHT LUMINAIRES

FINB Series

- Facade light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FINB 70 DE	1 X 70W CDM/ MH DE	1

FPNB Series

- Narrow beam projector light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FPNB 70/G12	1 X 70W CDM/MH G12	1
LT FPNB 150/G12	1 X 150W CDM/MH G12	1

FC 2200 Series

- Integral column facade light luminaire
- Powder coated die cast aluminium alloy body
- Pre-anodised aluminium reflector
- Ingress protection - Optical compartment IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FC 22-70/DE	1 X 70W MH DE	1
LT FC 22-150/DE	1 X 150W MH DE	1

FIT Series

- Facade light luminaire
- Extruded aluminium section body with die cast aluminium end covers
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Building facades, Walls, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FIT 128 HFD1	1 X 28W T5	1

FC 1000 Series

- Integral column facade light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FC 1050/PAR 20	1 X 20W PAR20	1
LT FC 1070/G12	1 X 70W MH/CDM G12	1

FC 2000 Series

- Integral column up & down facade light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FC 2050/PAR20 UND	2 X 50W PAR20	1
LT FC 2070/G12 UND	2 X 70W MH/CDM G12	1

FC 2100 Series

- Integral column up & down facade light luminaire
- Powder coated die cast aluminium alloy body
- Pre-anodised aluminium reflector
- Ingress protection - Optical compartment IP65
- Suitable for Building facades, Columns, Monuments & Hotels etc.

Product Code	Suitable for Lamp	Pack Carton
LT FC 21-26/CFL UND	2 X 26W CFL	1
LT FC 21-70/G12 UND	2 X 70W MH/CDM G12	1

POST TOP LUMINAIRES

GL 30 Series

- Post top lantern luminaire
- Powder coated die cast aluminium alloy body
- UV stabilised clear one piece PMMA diffuser for soft light
- Painted aluminium deflector for well balanced light distribution
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL 30-70	1 X 70W MHE/CDM G12	1
LT GL 30-150	1 X 150W MHE/CDM G12	1

GL 31 Series

- Post top lantern luminaire
- Powder coated die cast aluminium alloy body
- Painted aluminium deflector for well balanced light distribution
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL 31-70	1 X 70W MHE/CDM G12	1
LT GL 31-150	1 X 150W MHE/CDM G12	1

GL 32 Series

- Post top lantern luminaire
- Powder coated die cast aluminium alloy body
- UV stabilised clear one piece PMMA diffuser for soft light
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL 32-70	1 X 70W MHE/CDM G12	1
LT GL 32-70	1 X 150W MHE/CDM G12	1

GL 33 Series

- Post top lantern luminaire
- Powder coated die cast aluminium alloy body
- UV stabilised clear one piece PMMA diffuser for soft light
- Painted aluminium deflector for well balanced light distribution
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
IT GL 33-00	35/45 W CFL-R	1

COLUMN LIGHT LUMINAIRES

LC-D Series

- Integral column light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised clear one piece PMMA diffuser for soft light
- Painted aluminium deflector for well balanced light distribution
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66 & Control gear compartment IP55
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
IT LC-D 1035/G12	1 X 35W CDM G12	1

LC-L Series

- Integral column light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised clear one piece PMMA diffuser for soft light
- Painted aluminium deflector for well balanced light distribution
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66 & Control gear compartment IP55
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
IT LC-L 1236	2 X 36W CFL-4 Pin	1

BOLLARD LIGHT LUMINAIRES

GL ZS Series

- Decorative bollard light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised clear one piece PMMA diffuser for soft light
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL ZS 118	1 X 18/26W CFL-R	1
LT GL ZM 118	1 X 18/26W CFL-R	1

GL CW Series

- Decorative bollard light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised milky one piece PMMA diffuser for soft light
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL CW 118	1 X 18/26W CFL-R	1

GL MN Series

- Decorative bollard light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised clear one piece PMMA diffuser for soft light
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL MN 118	1 X 18/26W CFL-R	1

GL NM Series

- Decorative bollard light luminaire
- Powder coated Zn plated ERW MS tubular section body
- UV stabilised clear one piece PMMA diffuser for soft light
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Public areas, Pathways, Residential colonies etc.

Product Code	Suitable for Lamp	Pack Carton
LT GL NM 118	1 X 18/26W CFLR	1

SPIKE LIGHT LUMINAIRES

SPK 1050 Series

- Spike light luminaire
- Powder coated die cast aluminium alloy body
- Ingress protection - Optical compartment IP65
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT SPK 1050/PAR20	1 X 50W PAR-20	1

SPK 1250 Series

- Spike light luminaire
- Powder coated die cast aluminium alloy body
- Ingress protection - Optical compartment IP65
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT SPK 1250/MR16	1 X 50W Halogen MR16	1

SP 1070 Series

- Spike light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP65
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT SP 1070/G12	1 X 70W CDM/MH G12	1

SP 1250 Series

- Spike light luminaire
- Powder coated die cast aluminium alloy body
- Ingress protection - Optical compartment IP65
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT SP 1250/MR16	1 X 50W Halogen MR16	1

GROUND BURIAL LUMINAIRES

FGBM 20 Series

- Drive over/walk over ground burial light luminaire
- Powder coated die cast aluminium alloy body
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT FGBM 20-70	1 X 70W MH G12/DE	1
LT FGBM 20-150	1 X 150W MH G12/DE	1

FGB 21 Series

- Drive over/walk over ground burial light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT FGB 21-70	1 X 70W MH G12/DE	1
LT FGB 21-150	1 X 150W MH G12/DE	1

FGB 20 Series

- Drive over/walk over ground burial light luminaire
- Powder coated die cast aluminium alloy body
- Chemically polished and electrochemically anodised aluminium reflector
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT FGB 20-70	1 X 70W MH G12/DE	1
LT FGB 20-150	1 X 150W MH G12/DE	1

FGB 22 Series

- Drive over/walk over ground burial light luminaire
- Powder coated die cast aluminium alloy body
- Ingress protection - Optical compartment IP66
- Suitable for Parks & Gardens, Monuments, Public areas etc.

Product Code	Suitable for Lamp	Pack Carton
LT FGB 22-00	1 X 150W PAR20 / PAR 30	1
